On Thursday 21st June, Great Glen Archers will come over to Symington's for the annual inter-club shoot.

We will assemble at 6pm, shoot a Warwick round and then we will provide food in the clubhouse to eat alongside the trophy presentation.

We encourage as many members as possible to come and represent the club because it's really fun...plus we want to retain the trophy for another year!

There will be no shooting at Symington's on Saturday 9th June because of the carnival. Instead, Black Arrows Field Archers have invited us to their ground near Ashby-de-la-Zouch, to try out field archery! Just get in your car, take your own kit, you'll be guided round by a member of Black Arrows and lunch is provided at the end...all for only £12 per person. There's already a long list of WVA members attending but if your name isn't down yet then stick it on the list outside changing room 2 or speak to Richard Holyland.

Please can I remind everyone, we are all responsible for setting up and taking down the targets. The more people that come outside and help on the field, the quicker it will be done. Thank you!

### GDPR—General Data Protection Regulation

Our privacy policy is on the Welland Valley Archers website. You will continue to receive this newsletter and other WVA club related emails. However, should you wish to opt out, please contact Anna Roberts, Club Secretary.

The most recent order of club shirts has now been delivered. We are all looking very smart in them, I must say! It'd be great to see lots of our shirts being worn at the inter-club shoot against Great Glen. If you wish to place an order for a shirt, please contact Mark Lantsbery.

The sun is shining, festivals and fetes are coming up which means it's time to promote our club in the local area. We are running have-a-go archery stands at Husbands Bosworth Festival on Saturday 30th June, and The VBOA Car Rally at Market Harborough Show Ground on Saturday 14th and Sunday 15th July. If you are able to set up, take down, coach, give out arm guards or collect money, then please contact Mark Lantsbery for details and timings. Thank you in advance!
